EXPOCET NEWS

THE OFFICIAL COMPANY NEWSLETTER OF EXPOCET LTD

MESSAGE FROM THE DIRECTOR

WRITTEN BY
MARTIN THOMAS

Please take a moment to read our Expocet news for the month of March 2021.

- Despite Brexit happening, Expocet has cast its net and secured a brand new customer in Germany for control systems as well as a new automotive development project in France.
- The start-up of production ramp-up deliveries began in January 2021 relating to forged products for a major German Automotive player.
- Company Furlough ended for all employees at the beginning of March – we're positive everything is now getting back on track!

"The company to supply your global manufacturing solutions."
